TEACHERS TURNED ENTREPRENEURS EMPOWER PARENTS & STUDENTS IN THEIR COMMUNITY

[M&M Educational Group](#) (aka M&M Tutoring Service) is celebrating their 5th year anniversary by launching their inaugural ACCESS 2 PROGRESS Parent Forum (and Anniversary Celebration) on November 16th, 2019, 9 am - 12 pm, at Hillside High School, in Durham (one of the schools where they used to teach). Their goal is to give parents & students ACCESS 2 school & community resources, so they can experience SUCCESS in school and beyond! In addition to hearing [guest speakers](#) share information (in the following breakout sessions: Parent Advocacy, School Counselor Corner, Exceptional Children Services, K-12 Mental Health, Success in K-5th grade, and Success in 6th-12th grade), parents can bring their child's progress report for a FREE on-site consultation with M&M's owners.

M&M Educational Group began as a shared effort between two passionate educators (Math teachers) who desired to see their influence extend beyond the four walls of their classrooms. In August 2014, Jametra (Hinton) and Mariama (Moody) decided to join forces to address their growing concerns, and began M & M Educational Group (formerly M&M Math Tutoring Service). Jametra and Mariama are humbled by the success that M&M has experienced thus far, and are looking forward to what the future holds for them and M&M!
